Hi Detective Reina,

I have called the precinct a few times but unfortunately keep missing you.. Anyway, our predator has not been calling me anymore since that Sunday, February 24, 2013 that you said you would go to the home and am since so very relieved. I assume you did go to his listed address for his cell phone as discussed. Thank-you a thousand times. I will call you another day to confirm if you did in fact go to the home and to find out what actually transpired.

Thank-you again, 
~Linda
